BEER Well CRAFTED

Garrison expands brewing capacity by 50 per cent!
On April 7, the brewhouse staff worked a very, very long day to make sure two shiny new tanks were installed at the brewery. Look out, craft beer lovers - this means we can brew 50 per cent **MORE beer!**

NiT-WiT - here and gone
Scott Tilford's **Ultimate Brew-off winning beer** just flew off the shelves. A little over a month after releasing the tasty seasonal, we sold out of this Belgian-style wheat beer. Nicely done, Scott! Perhaps you could swing by and join us for a second batch?

Hopyard Pale coming to Ontario in June
Last week, four pallets of **Hopyard Pale Ale** were shipped off to Ontario, soon to arrive at stores across the province. Look for this hop-forward West Coast pale ale at your local LCBO starting in June. Bring on the warm weather.

GOOD TIMES Well CRAFTED

Mom Deserves a Beer ... AND a Garrison gift basket!
A few weeks ago, Garrison launched a cheeky new Mother's Day contest called **Mom Deserves a Beer**. The submissions have been pouring in, and we'll announce the winner at the end of the day! Thanks to everyone who sent in photos of their little ones being mischievous for a chance to win a goody basket full of Garrison swag - perfect for Mom.

Garrison's got a sweet tooth
What happens when you combine roasted barley and Black Malt from one of Canada's top craft brewers with rich European dark chocolate? Two great Halifax institutions - Garrison Brewing and **Sugah!** - have come together to create the **BREW BAR** - handcrafted in Nova Scotia. Popular at Saltscapes, this dark chocolate tablet is only available at the brewery and **Sugah!**

Garrison proud to partner with Trail Runners Club
Garrison Brewing is now the official sponsor of the **Halifax Trail Runners Club**. Established in 2005, they organize weekly runs on Wednesday evenings, have fun and get dirty! All that, and they love craft beer - guess we'll have to lace up our hiking boots and join them for a run. :-)

NEWS Well CRAFTED

NSCAD Design 2011 features Siobhán Gallagher's tee
Each year, Garrison will get to know some great up-and-coming local artists from neighbouring NSCAD campus, check out their work and commission one to **create a cool new tee** for Garrison. The very first artist to be commissioned is 21-year-old designer Siobhán Gallagher. Her ladies t-shirt rocks and is now available at the brewery.

Garrison beer now available in eight provinces
If you love East coast brew, do you really need to live here to get it. Garrison beer is now available at select retailers, restaurants and bars in eight provinces - Nova Scotia and New Brunswick (of course), PEI, Ontario, Alberta, Manitoba, British Columbia and Saskatchewan. Doing our part for national unity by spreadin' the love as fast as we can!

The team is growing
Garrison is excited to introduce a few new faces at the brewery. For starters, two new apprentice brewers Timothy Cox (left) from Picarone's and Croucher Brewing Company in New Zealand and Aaron Spinney (right), from **Niagara College's new Brewing Program**. We also welcome Jasper and Russ on the line. This month, Eric returns (yes!). We should definitely be able to keep you guys busy this summer. :-)

Now on Tap
Garrison is happy to be back - by the bottle - at the **Khyber** on Barrington and our neighbours at The Java Factory are set to offer Garrison on tap! Hopyard Pale is now on offer at **Finbar's Irish Pub**. Also, hot new Moncton gastropub, **Tide & Boar**, features Garrison Tall Ship, Irish Red and Hopyard on their menu. Thanks, all!

If you have questions or story ideas for future editions of **Garrison on Tap**, we want to hear about it! Write to: marketing@garrisonbrewing.com.
