## BEER Well CRAFTED

### Winter beer is here

Despite the decent weather, winter is coming and our selection of specialty beers just got bigger - **Martello Stout**, **Black IPA** and **Winter Warmer** are now officially available. Also look for **Grand Baltic Porter**, **PiLs Lager** and **Spruce Beer** - all before Christmas! Yep, six great ways to stay warm on those cold winter nights. :)

### Garrison-Phillips mash-up series, part deux: Baltic Porter

Our Brewmaster, Daniel Girard and Matt Phillips of **Phillips Brewing** continue the bi-coastal mash-up fun - this time, in Victoria. The two collaborated on a strong **Baltic Porter**, which will be available only at the BC brewery in 650ml bottles in early December. While out West, Daniel and Mark (VP) also visited some of the best BC breweries along the way. Thanks to **Dead Frog Brewery**, **Driftwood Brewery**, **Vancouver Island Brewery**, **Lighthouse Brewing Company**, **Canoe Brewpub** and **Central City Brewing Company** for all the hospitality. Long live craft beer!

### LCBO gets a whole lotta Garrison this February

Garrison will be featuring five - count 'em - FIVE seasonal beers at LCBO stores in Ontario, starting in February 2012. Keep an eye out for: Grand Baltic Porter, Spruce Beer, Winter Warmer, PiLs Lager and Black IPA. This is a new marketing initiative at the LCBO to profile interesting, boundary-pushing brewers ... and has included great independents like **Nørrebro Bryghus** (Denmark) and **Brasserie Dieu de Ciel** (Québec) in the past. To find a Garrison winter seasonal at a store near you, search online [here](#).

## GOOD TIMES Well CRAFTED

### Garrison proud to partner with Java Blend Racing

As of this month, Garrison has come on board as an official sponsor of a new athletic club called **Java Blend Racing**. An avid cyclist, Garrison's president, Brian Titus is passionate about supporting community groups like JBR. Find out more about the club [here](#).

## NEWS Well CRAFTED

### Garrison starts NSCAD Colin Allin Memorial Scholarship

In tribute to our graphic designer, Colin Allin, who passed away this summer, Garrison established an annual \$1,000 NSCAD scholarship for up-and-coming design students. The first Colin Allin Memorial Scholarship will be awarded to a NSCAD student in January 2012. To apply, click [here](#).

Aaron Spinney

Vince Martin

### Friends new and old

Sadly, brewer-in-training **Aaron Spinney** had to leave us at the end of the summer to return to the Niagara College Brewing Program. Good luck in year two and come by anytime! We'd also like to welcome **Vince Martin** (designer) and **Cory Cote** (web god) to our team. In a twist of fate, Vince was actually good friends and "Fresh Little Candies" bandmate of our former designer, Colin Allin.

### NOW ON TAP

We're pretty stoked that our beer is once again available at **Dofsky's Grill** and now at **Swiss Chalet** (Lacewood) in Halifax, **Café 101** at the Holiday Inn Harbourview in Dartmouth and the **Crown Plaza** in Fredericton, New Brunswick. The craft beer revolution continues!
