NEW FOR WINTER

WINTER WARMER

This strong dark amber beer is brewed with spices evocative of the holiday season. Its warming character makes it a great accompaniment on cold winter nights.

GRAND BALTIC PORTER

This traditional beer style was originally brewed in countries bordering the Baltic Sea. Although derived from English porters, it was mostly influenced by Russian imperial stouts. Grand Baltic Porter is good for the soul & luxurious on a cold Baltic night. Skall!

MARTELLO STOUT

Heavily roasted malts and full bodied taste characterize this darkest of traditional brews. Martello Stout is uncompromisingly bold like the unique towers which defended our early maritime shores.

ALE GETS REAL AT MAXWELL'S WITH "FIRKIN FRIDAY'S"!

Swing of a mallet, shower of beer & Garrison re-starts tradition! On Nov. 28th, rounds of Daniel's "Honey Irish Red" were passed out to thirsty patrons eager to try fresh cask-conditioned ale. Cask or Real Ale is unfiltered, naturally carbonated and conditioned right in the cask. Slightly hazy and alive with flavour, this is the real deal.

Assistant Brewer Qian Zhang, President Brian Titus, Brewer Daniel Girard

Each week a different brand with a special twist gets tapped at 4 o'clock & pours till gone (this one lasted 90mins!). Check out "Garrison Firkin' Fridays" weekly at **Maxwell's Plum** starting January 9th sharp! (oh ya, "Firkin" refers to the special cask, nothing dirty here). Cheers!

Still planning your seasonal gathering? Garrison can help make it memorable from our character **hospitality room** overlooking the brewery to party kegs and off-site beer catering. There's still time to book so please give us a call at 453-5343 to discuss.

Merry Christmas
