### Product Profile:

Hailed as "The World's First Golden Beer," Pilsner Lager (Pilsener, Pils, etc.) was first created in 1842 and is now readily available worldwide. Garrison "PiLs" draws inspiration from several classic styles by blending Czech Saaz hops, German lager yeast and Bluenose spirit to create this crisp, refreshing brew. "Na zdravi!" (*To your Health!*)

### Tasting Comments:

Golden colour with lasting white head. Light grainy aroma, flowery hops character and low background note of DMS (from Pils malt). The result is a crisp, somewhat bitter dryness and moderate maltiness with a clean, dry finish.

### Serving Suggestions:

Best with light foods, "PiLs" pairs well with chicken, salads, fish and light sausages (Bratwurst). Also perfect with mild cheddar, Emmental and Swiss cheese.
