

## CANNING LINE OPERATOR

### Position:

Permanent, full-time with 40-45 hours per week

Location: Halifax NS

### Company Profile:

Launched in 1997, Garrison Brewing celebrates 27 years as one of Atlantic Canada's leading craft breweries! Garrison consistently produces premium craft beer for both the local market and beyond. The company operates three breweries, two vibrant taprooms and retail stores, and boasts some of the most popular brands in the market. Garrison is a strong environmental champion and active with local partners, sports teams, and community groups in Halifax and throughout Nova Scotia!

### Description:

Reporting to the Plant Manager & Brew Master, you will be responsible for set-up and operation of the beer/cider/soda canning Line, support the Plant Manager in maintenance, monitoring fermentation, and participating in beer quality assessment among other tasks.

### Responsibilities: Includes (but not limited to):

- Setting up and shutting down the canning line - includes changes between different cartons/ cans, conveying, dating/coding, labeling and tray forming.
- Operating the canning line throughout the week – includes monitoring operation, ensuring the line equipment operates smoothly. Logging relevant information into brewery management software.
- Performing basic QC and QA testing as required (measuring CO2 and O2 levels, pH, gravities, etc.) and contribute to identifying QC problem areas and developing solutions.
- Support the Plant Manager in canning line maintenance and repairs.
- Monitoring fermentation (may include weekends in rotation with other staff).
- Wastewater system management.
- Update Standard Operating Procedures (SOPs).
- Participate in beer quality assessment sensory panels as required.
- Assist with regulatory and health & safety compliance within the brewery.
- Supporting the production team as required to ensure the smooth and efficient operation of the brewery.

### **Candidate Qualifications:**

- Mechanical aptitude is required. Post-Secondary Diploma in technical program (Electronic Systems, Electromechanical, Industrial Mechanical, etc.) and/or two years practical field experience is an asset.
- Sound technical aptitude, skills, and approach (electrical, mechanical, automation, etc.).
- Attention to detail and accuracy.
- Ability to work independently, show initiative and exercise good judgement in decision making.
- Ability to multi-task, be flexible and acquire new skills.
- Capable of troubleshooting issues and working through challenges and changes.
- Proficient computer skills (Microsoft Excel, Word, etc.).
- Capable of working in a role with moderate physical requirements including extended periods of standing, bending, twisting, lifting, etc.

### **Why Garrison?**

This is an opportunity to be part of a dynamic, passionate, and professional team, working on state-of-the-art equipment and focused on creating and selling premium craft beer to a growing customer base.

Benefits and perks include:

- Competitive compensation (\$38,000-\$44,000)
- Health benefits plan and Group RRSP
- Annual year-end bonus
- Weekly beer allowance and discount at our retail stores
- Access to community partner events.

At Garrison, we recognize the importance of a diverse and inclusive workplace. We encourage job applications with diverse backgrounds, and do not discriminate based on gender, religion, race, disability, sexual orientation, age, or any other status.

Please send your cover letter and resume to Joanne Titus at [joanne@garrisonbrewing.com](mailto:joanne@garrisonbrewing.com). Only those selected for interviews will be contacted.

Thank you for your interest!
