

GARRISON BREWING COMPANY

Position: HEAD/LEAD BREWER, Halifax NS

Company Profile: Launched in 1997, Garrison Brewing is one of Atlantic Canada's leading craft breweries! Garrison has contributed to the growth of craft brewing throughout Atlantic Canada and distributes to many provinces across Canada. The company operates three breweries, two vibrant taprooms/retail stores and boasts some of the most popular brands in market!

Job Description: We are currently seeking a strong, experienced Brewing professional with a proven capability and background in commercial brewing operations. Reporting directly to the Brew Master, you will work within a professional team, assisting in the conduct and management of all aspects of beer, RTD and Cider production in both draught and packaged format. This position is full-time, permanent, mainly Monday to Friday, and with occasional work on evenings and weekends.

Responsibilities:

- Overseeing and conducting all day-to-day brewing, cellaring and packaging operations as necessary, ensuring all procedures are properly executed and documented.
- Ensuring the efficient conduct of brewery operations by assessing, delegating and adjusting tasks and priorities as needed.
- Training and mentoring staff members to build and maintain a competent and skilled production team.
- Following and enforcing cleaning, sanitation and maintenance schedules.
- Monitoring Wastewater Treatment System operations and performance.
- Handling tracking production data, inventory and Input document information in EKOS.
- Assist in the creation and development of SOP's and testing methods.
- Monitor beer quality assessment sensory panel.
- Conduct regular quality control/assurance measures and participate in sensory panels.
- Advise the Brew Master and Plant Manager of any performance or maintenance issues, assisting in the investigation and implementation of repairs and solutions.
- Enforce and comply with all health, safety, and regulatory compliance requirements.

Position Experience and Requirements

- **Minimum Four year's practical experience** as a Head Brewer/Brewer/Assistant Brewer at a commercial brewery.
- Formal science or brewing-related training would be an asset.
- Ability to lift 55lbs+ (25kg) and work in a dynamic, hands-on environment.
- Mechanical aptitude and ability to troubleshoot equipment is an asset.
- Flexible, detail-oriented, team-player and adaptable to a fast-paced production setting.

Why Garrison?

Join our dynamic, passionate and professional team, and contribute your skills to create premium craft beer to a growing customer base. Just a few of the benefits include:

- Competitive salary based on experience: **Range of \$55,000 - \$75,000**
- Benefits package including generous year-end bonus and group RRSP matching

- Three to four weeks paid vacation
- Extended Health and Dental benefits plan
- Employee perks such as weekly beer allowance, discounts at our retail stores, company social gatherings and the opportunity to participate in community events and partnerships.

At Garrison, we recognize the importance of a diverse and inclusive workplace. We encourage job applications with diverse backgrounds, and do not discriminate based on gender, religion, race, disability, sexual orientation, age, or any other status.
